

SPEAKING – PART 3

Topic

In Vietnam, more and more cases of food safety violations have been reported in the media, causing serious concerns for consumers. Why does this problem still exist? Give reasons and examples from your reading, experience or observations to support your point of view.

Topic

“Wearing make-up and dressing smartly can help a woman become more successful at work.”
Do you agree or disagree with the opinion? Give reasons and details or examples from your reading, experience, or observations to support your point of view.

Topic

The multi-level marketing (MLM) field is growing and its member companies are multiplying. Should Vietnam’s government ban this business model? Give reasons and examples from your reading, experience or observations to support your point of view.

Topic

More and more families hire part-time maids. What are the causes of this trend? Give reasons and details or examples from your reading, experience, or observations to support your answer.

Topic

More and more parents let their children watch English nursery rhymes or English cartoons on YouTube. What are the effects of this trend? Give reasons and details or examples from your reading, experience, or observations to support your answer.
