

SPEAKING – PART 3

Topic

Nelson Mandela says, *“Education is the most powerful weapon which you can use to change the world.”*

Has Vietnam used this weapon effectively to change itself? Why or why not? Support your position with reasons and examples taken from your reading, experience, or observations.

Topic

There is a shortage of medical staff in many remote areas all over the country. What should be a solution, and why? Give your opinion and support it with reasons and examples taken from your reading, experience, or observations.

Topic

What are some ways of reducing plastic for a greener environment? Support your position with reasons and examples taken from your reading, experience, or observations.

Topic

“Chinese-manufactured fake products are just as good as - if not better than - the real deal”, Alibaba founder Jack Ma told journalists when interviewed about his trade of Chinese-manufactured fake products in the world market.

In your opinion, should fake products be made and sold widely if they are just as good as or better than real ones? Support your position with reasons and examples taken from your reading, experience, or observations.

Topic

Should BRT (bus rapid transit) be implemented in Ho Chi Minh City? Why or why not? Give your opinion and support it with reasons and examples taken from your reading, experience, or observations.
